# FLOURISH 23

## FUTURE-FOCUSED SCIENCE, TAKING US FORWARD

Flourish is a Gifted and Talented program for students in years 1 - 6. This program is designed for everyday practical applications of modern science and STEAM to prepare students to solve real world problems in the future. This supports 21st century skills and learning.

Commencing each year:

Student Identification process  
Parents/caregivers informed  
Parent/caregiver information session

Each term:

STEAM project linked to Einsteinian Physics lessons covered in Science units  
WebEx/School visit to Broomehill PS to share work and projects

The Science of the Future  
Understanding the universe  
with Einsteinian physics  
STEAM project

Forces of Motion  
Newtonian physics: A  
part of everyday life

Food Security  
Feeding the nation with  
genetic modification  
and biomagnification

The Chemistry of Life  
Oxidation and  
combustion (fire)
