

Dear Parents and Carers

Attached are the 2025 Personal Items Lists that parents/carers need to purchase for their children ready for the commencement of the 2025 school year.

To assist with the requisition of your child's items, we've listed some points for your consideration:

- Items can be purchased from any supplier.
- We recommend purchasing high-quality items. We've suggested brands that students have found good in previous years. Cheaper items may break easily or need to be replaced more often.
- Please choose pencil cases as close to the recommended size as possible. Large pencil cases do not fit on desks or in trays and make it difficult to locate items.
- Ensure that all items are clearly labelled with your child's name.
- Please ensure the complete list is brought into school at the beginning of the school year. Spare items will be stored at school so students can grab them as required. Named, unused spares will be sent home at the end of the year.
- A4 exercise books will be provided by the school and sent home at the start of Term 1 to be covered. You may wish to purchase some coloured paper or contact to be ready to do this. Please refer to the bottom of the relevant year list.
- Please ensure your child has a school bag large enough to fit a jumper, lunch box, water bottle, hat, reading folder and schoolwork. If you are unsure of any of the items, please contact the school and we'll be happy to help.

PERSONAL ITEMS FOR STUDENT USE – 2025
