Dear Families

We are looking forward to welcoming your child to our school. To process your child's enrolment application, please ensure you have the following documentation.

- An Enrolment Form and the Student Health Care Summary Form can be collected from the Front Office and will need to be completed. If you require assistance, please call the school on 6866 1750.
- You will need to provide your child's birth certificate and Australian Immunisation Register (AIR) immunisation history statement. This statement needs to be no more than two months old, and is accessible via the myGov website through Medicare.
- Please bring the above documentation to the school's Manager of Corporate Services, Monday to Thursday. As it can take some time to process, please make an appointment prior.
- If your child needs to travel on the school bus, you'll need to visit School Bus Services (SBS) at <https://schoolbuses.wa.gov.au/> to apply for a seat. It is best to do this as soon as possible, to ensure they can get the routes completed in a timely manner. We have included a brochure for more information on this.

We are excited and honoured to be part of your child's educational journey. Please feel free to contact the front office on the number below if you have any further queries.

Yours sincerely,

Teresa Wigg
Principal
